PROFESSIONAL EXPERIENCE

Happiest Minds Technologies Limited | *UX Designer (Contract)* | *Bangalore* *December 2025 – Present*

- Led end-to-end UX research, stakeholder interviews, user personas, journey mapping, and information architecture to identify user needs and improve digital experiences.
- Designed wireframes, high-fidelity UI screens, and Interactive Figma Prototypes, focusing on usability, accessibility, responsive design, and intuitive user flows.
- Collaborated with product managers, developers, and stakeholders to optimize content discoverability, maintain design consistency, and deliver scalable, business-aligned solutions.

Webnox Technologies | *Visual Designer* | *Coimbatore* *May 2024 – July 2025*

- Designed responsive web and mobile interfaces for B2B, education, and e-commerce products, including Onroadz and Amaramba, improving user engagement by 25%.
- Built scalable design systems, reusable Figma components, and interactive prototypes while collaborating with developers to ensure efficient design handoff and implementation.
- Revamped AJK College website information architecture and user experience, reducing bounce rate by 20% and increasing student inquiries by 15%; delivered 10+ digital design projects.

High On Swift | *UI & Graphic Designer* | *Chennai* *May 2023 – May 2024*

- Designed responsive web and mobile interfaces, landing pages, and visual assets across multiple industries, maintaining consistent branding and user experience.
- Applied UX principles, information architecture, wireframing, and usability testing to create intuitive layouts and user-centered digital experiences.
- Developed UI solutions and interactive prototypes, collaborating with developers to streamline design handoff and ensure consistent implementation.

EDUCATION

Aspira Design Institute | *Advanced UX UI Design* *September 2022 - January 2023*

Kongu Engineering College | *Civil Engineering* *August 2018 - June 2022*
