Professional Summary

Creative and detail-oriented UI/UX and Graphic Designer with 2 years of experience crafting user-centered digital experiences across mobile and web platforms. Proficient in responsive design, wireframing, prototyping, and high-fidelity UI using tools like Figma, Adobe XD, Photoshop, and Illustrator. Adept at collaborating with developers, stakeholders, and marketers to deliver visually engaging and functionally sound interfaces. Passionate about blending creativity with usability to deliver engaging digital experiences and cohesive brand visuals..

Professional Experience

Visual Designer
Webnox Technologies

May 2024 - Present
(Coimbatore)

- Designed responsive UI/UX for websites and mobile applications across various industries. Created compelling **logo designs, posters, brochures, and web banners** to support marketing and branding efforts across digital and print media.
- Created dashboards and admin panels for B2B tools including **Onroadz (car rental)** and **HRMS platforms.**
- Delivered over **10 web UI designs** and marketing visuals, improving brand reach and user engagement.
- Designed mobile app UI for platforms like **Spice catch (meat e-commerce, B2B/B2C), Easy Field Services (field service management app) and Talk Pay (Ad Rewarding calling App)**
- Contributed to the website redesign for **AJK College**, enhancing structure and accessibility.
- **Amaramba – Stock Investing Platform** Redesigned the landing page and user dashboard to deliver a seamless user experience for a stock brokerage platform, ensuring responsive design and clear visual hierarchy.
- Delivered wireframes, visual designs, and interaction flows for various industry-based apps.
- Collaborated on UI/UX design projects by integrating **Figma prototypes with MCP server** architecture to enhance real-time interaction.

UI/UX & Graphic Designer
Cloud Dreams

May 2023 - May 2024
(Coimbatore)

- Created a wide range of graphic design assets including social media creatives, banners, brochures, logos, and presentation templates to support branding and marketing initiatives.
- Ensured visual consistency across digital platforms while aligning with brand guidelines.
- Gained hands-on experience in cross-platform design, client communication, and design system creation.
- Collaborated with developers and project managers to ensure design feasibility and smooth handoff.
- Participated in client discussions to gather requirements, present concepts, and iterate based on feedback.
